**ALI HUSSEIN CHEHAB**

867 LANGLOIS AVE  
WINDSOR ON N9A 2G9

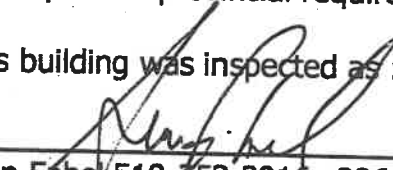

Dear Sir/Madam:

RE: 867 LANGLOIS AVE

A re-inspection of the above captioned premises was carried out on February 19, 2020. At the time of inspection, all previously identified visible Ontario Fire Code deficiencies resulting from the original inspection that took place on February 19, 2020 have been complied with.

Even if the premises are brought into compliance with the Fire Code, the premises may not comply with the other municipal by-laws, such as zoning, property standards, business licensing, building or provincial legislation or regulations. It is the owner's responsibility to ensure the premises comply with all municipal and provincial requirements.

This building was inspected as : 321-Multi-Unit Dwelling - 2 to 6 Units.

  
Sean Fabel 519-253-3016 x226

### ElecCheck (TM) Certificate

The Electrical Safety Authority (ESA) has conducted an ElecCheck Review of the electrical wiring, equipment and/or devices outlined on the ElecCheck Checklist at this address.

ESA confirms that the parts of the electrical system we reviewed meet the requirements of the ElecCheck program. ESA further confirms that any deficiencies previously noted during the review process have been corrected as of the date on this certificate.

### Limitations of the ElecCheck Review

This ElecCheck Certificate is subject to Terms, Conditions and Disclaimers, which are set out on the ElecCheck website at: [www.eleccheck.ca](http://www.eleccheck.ca). Note that reliance by Third Parties on this Certificate is at their sole risk.

ElecCheck (TM) is a trademark of the Electrical Safety Authority (2015).
